

Film Score Analysis

A BESIC Music Activity

Your Task:

The next time you watch a movie or show, whether by yourself or with your family, pay close attention to the music that goes on. Then answer these questions to analyze the film score:

1. What movie or show did you watch?
2. How did the composer use music to enhance/improve the movie or show?
3. Would the movie/show been as good without the music? Why?
4. Would you have used different music in this movie/show? Why?

How to Submit your Analysis:

1. If you did it digitally, send a copy or screenshot to Miss Jacobsen at [kjacobson@usd348.com](mailto:kjacobsen@usd348.com)
2. If you did it on paper, send a picture to Miss Jacobsen at [kjacobson@usd348.com](mailto:kjacobsen@usd348.com)
