Make Your Own Playlist

A BESIC Music Activity

Your Task:

Create a playlist of 5-10 songs with a theme. Some examples of themes could be:

- Songs that make me happy
- Songs that make me sad
- Songs that make me sleepy
- Songs that get me pumped up
- Songs about nature
- Songs about things I love
- Songs about things I dislike
- Songs I'm passionate about

- Songs from movies I love
- Songs by my favorite artist
- Songs I've heard at least 20 times
- Songs about animals
- Songs from my favorite music genre
- Songs I never get tired of
- Songs I sing in the shower
- Songs that tell a story

Format:

I need to know the theme, titles for each song, and artist/composer for each song. Here's an example from Miss Jacobsen:

THEME: Songs from Movies I Love

1. "Home Alone" by John Williams
2. "Jurassic Park Theme Song" by John Williams
3. "Ghostbusters" by Ray Parker Jr.
4. "The Pink Panther" by Henry Mancini
5. "Skyfall" by Adele

How to Submit your Playlist:

1. If you made your playlist digitally, share the document or email a screenshot to Miss Jacobsen at kjacobsen@usd348.com
2. If you made your playlist on paper, send a picture to Miss Jacobsen at kjacobsen@usd348.com
